Petitioner approached this Court aggrieved by the delay in disbursement of the DCRG. It is seen from Ext.P1 that there was liability. It is further seen from the statement filed on behalf of the second respondent that the petitioner has not fully cleared the liability. In view of the statement of the second respondent, in case the petitioner has still any grievance left, he may approach the second respondent, in which case, the matter will be duly considered by the second respondent and depending on the clearance certificate issued by the second respondent, appropriate action will be taken by the first respondent in the matter, within another three months.

The writ petition is disposed of as above.
